

Dear Pennie,

My name is Autumn Webb and I have been selected by Young Harris College as the recipient for the GASFAA Memorial Scholarship for the Fall 2017 semester. I am a twenty-two Senior Creative Writing major with aspiring dreams to travel the world teaching English before becoming a copy write editor for a national publishing house. These are big dreams for a girl from a small town in North Georgia, and while I am more than ready to put in the effort to achieve these goals, I wanted to let you know just how sincerely grateful I am to be the recipient of this scholarship. My family has sacrificed a lot for me to attend Young Harris for the past three and a half years (including selling our two cars and taking out numerous loans in both my own name as well as my families' names); and as this is my final year at Young Harris, I have a lot of responsibilities to fulfill between my work study job and senior classes. I would like to repay my family; if not financially, then by thoroughly succeeding in my degree to the best of my ability. The GASFAA Memorial Scholarship is helping me accomplish that. I know that there are so many students worthy (probably even more so than I) of this scholarship, and I cannot express how incredibly blessed I am to have received it. I hope to live up to this blessing, and to the hopes of my loved ones, and to my own goals for my future, and cherish the time and experience the GASFAA Memorial Scholarship is helping to provide for me in my final year. Thank you so much for your foundation, and for offering this scholarship to Young Harris College, where students like me have the opportunity to further their education unrestricted by financial strain.

Thank you again for all that you do and provide.

Sincerely,

Autumn Webb
